

## ABOUT KEERMONT VINEYARDS

- *Keermont Vineyards is a small family-owned boutique wine estate.*
- *The farm is situated in naturally-formed amphitheatre in the mountains above Stellenbosch, South Africa.*
- *We have a total of 30 ha of vines. Small parcels are harvested by hand and fermented separately in order to produce wines with complexity and depth.*
- *We produced our first wines in an old spring water bottling shed on the farm in 2007, before converting it into a small winery.*
- *All grapes used in our wines are grown on Keermont Vineyards. They are fermented, matured and bottled in our winery.*
- *We follow a natural and traditional winemaking philosophy – (indigenous yeast fermentation, no adjustment to acid or alcohol, maturation in seasoned oak barrels, bottling by hand without filtration).*
- *Certified “Sustainable farming & winemaking practices”.*
- *We currently produce about 3500 cases (9Ltr) per year.*

## VINEYARDS AND VITICULTURE

*Keermont Vineyards is blessed with some very special and unique vineyard sites. The farm is flanked by the Helderberg and the Stellenbosch Mountain Ranges. Vineyards are planted between 250m and 400m above sea level and the farm is just 12.5km from the Indian Ocean. Our soils are generally a deep, rich, red granitic loam. They are rich in iron, minerals and organic matter and have a good water-holding capacity due to their clay content.*

*Keermont Vineyards is a boutique wine estate set in the naturally-formed amphitheatre between the Helderberg and Stellenbosch mountain ranges. We aim to grow wines that reflect the natural wonders of this beautiful place.*

## WINEMAKING AND WINES

*In the winery we aim to guide our wines through fermentation and maturation as gently as possible so that we can capture the true essence of the fruit that we put so much effort into growing. Only traditional techniques are employed and wines are fermented by the yeast that naturally occurs in the vineyard. Acid and alcohol levels are not adjusted and wines mature in seasoned French oak barrels before being bottled without filtration.*

## OUR WINE

### ANNUAL RELEASES

- Keermont Terrasse:** *A barrel fermented white blend of Chenin Blanc, Chardonnay, Viognier, and Sauvignon Blanc.*
- Keermont Merlot:** *Varietal Merlot blended from various parcels on the estate.*
- Keermont Syrah:** *Varietal Syrah blended from various parcels on the estate.*
- Keermont Estate Reserve:** *A red blend of Bordeaux varieties and a touch of Syrah.*
- Keermont Fleurfontein:** *A barrel fermented dessert wine produced from vine dried Sauvignon Blanc.*

### SINGLE VINEYARD WINES

*Selected bottlings in exceptional vintages*

- Riverside Chenin Blanc**
